Dining Kitchen

This was two separate rooms and runs the full width of the property, creating a very pleasant, open plan eating and entertaining space. It is light and bright with uPVC windows and French doors leading out into the garden. The kitchen area has an extensive array of units to high and low levels with working surfaces and worktops extending to create a breakfast bar. Integrated appliances include a hob with stainless steel splashback and canopy style filter hood above, microwave which can also be used as a grill and fan oven. There is a one-and-a-half bowl stainless steel sink along with space for freestanding appliances such as a fridge freezer and dishwasher. Through a pair of double doors, a useful under stairs cupboard provides storage, houses the washing machine and has a side uPVC window. The adjoining dining area can easily accommodate a large formal dining table and also be used as an everyday sitting area. There is an stylish upright radiator and an external timber door leads to the garden.

First Floor Landing

From the hallway, a staircase rises to the first floor landing where a Slingsby ladder gives access to the loft area where there is full height standing space and electric lighting. The landing has a side uPVC window and oak internal doors which give access to all rooms on this floor.

External Details

The exterior of this home is a true highlight, featuring mature gardens that wrap around the property. At the front of the property is a low level perimeter wall and a double-width driveway which offers ample parking and leads to a detached double garage. On either side of the driveway are shaped level lawns with established flower beds, shrubs and hedge borders. On the right hand side of the garage, a gate gives access to a pathway with an integral store, where the central heating boiler is located. The pathway continues around to the rear of the property where there is a triangular lawn with established flowerbeds, borders and hedging, providing a good amount of privacy and plenty of space for outdoor activities and relaxation. There is also external water.

Garage

The detached double garage has twin up-and-over doors and, we understand, has been re-roofed in recent times. It has power and lighting along with a side window and a rear personal door.
