Offers Over £250,000

Freehold

This deceptively spacious end of terrace cottage has been tastefully modernised by the current owner and seamlessly combines many traditional character features with modern day convenience, albeit with a slight contemporary twist. As you enter the property the open hallway leads through to the rear living room with a door opening to the cosy front reception room with wood burning stove. The recently fitted kitchen can be found to the rear along with the well equipped bathroom which also acts as a utility space with space for a washing machine. On the first floor there are two good size bedrooms, the larger of which benefits from a recently fitted shower room. Unlike many properties of this age this home features off street parking and an attractive side and rear garden.
