Description

30 Princess Court is situated on the second floor (with lift access) and enjoys a good outlook over gardens towards Princess Road. Whilst the apartment is on the second floor from the main entrance due to the sloping site a single flight of stairs from the landing take you to the gardens.

Princess Court is situated a short walk from the town centre, where there are an excellent range of shopping facilities and the railway and bus station are both within easy reach. The apartments collectively provide a safe environment with alarm service and intercom entry. There are both communal areas to the interior of the building (currently undergoing a re-fit) as well as attractive communal gardens and a roof garden to the third floor. In addition, there is car parking for guests and residents and an estate manager.

The service charge covers the building insurance, cleaning of the communal areas and the day to day management of the building covered by the estate manager.
