

HARROW VIEW, HARROW, HA1 4SS

£530,000

Andrew Pearce  
PINNER

**A beautifully presented 1930s-built mid-terrace home, offered in excellent condition throughout.**

The property boasts fresh décor and has been meticulously maintained to a high standard.

The ground floor comprises a fully enclosed porch and a welcoming entrance hallway, leading into a bright and spacious through reception room, combining flexible living and dining space. Completing the ground floor accommodation is the modern kitchen, fitted with a range of units.

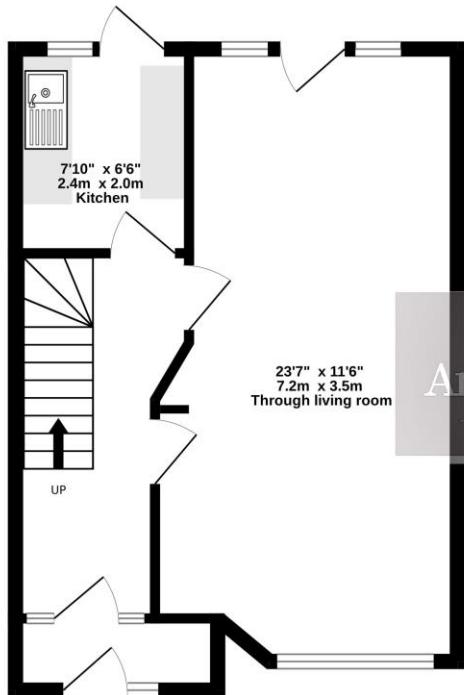

Upstairs, the first-floor landing gives access to two generous double bedrooms and a well-proportioned single third bedroom. The stylish family bathroom features contemporary fittings and provides a practical, well-designed space.

Set on a generous plot, the property offers significant potential for further development (subject to the usual planning consents). There is scope to extend up to 6 metres to the rear with a single-storey extension, ideal for creating additional living space, a larger kitchen, or a downstairs W.C./shower room. The loft also presents an excellent opportunity for conversion, adding further bedrooms or a dedicated home office.

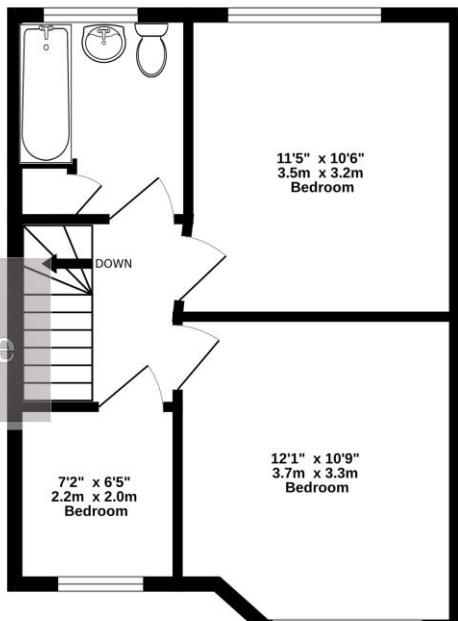

Externally, the block-paved driveway offers secure off-street parking for two vehicles.

Conveniently located, the property benefits from excellent transport links with easy access to several nearby stations, including Harrow & Wealdstone, Harrow-on-the-Hill, and North Harrow—providing fast and direct routes into Central London, making this an ideal home for commuters.
