Available now

Gated Entrance

The development is entered through an electric gateway onto a block paved area which joins to the property, where you will find the front individual front door with the number 5.

To the left of that is an allocated parking space which is under canopy and also benefits from an enclosed store.

Hallway & Landing

The hallway has a door mat and a heater, with a feature striped carpet leading up the stairs with a timber handrail and downlights. The landing joins all rooms, it has a grey Amtico floor throughout and polished panelled contemporary oak doors with stainless steel door furniture. There are stainless steel light switches and sockets throughout the property. On the landing there is an entry phone system and an alarm panel. The heating is controlled throughout with digital controls.

Kitchen, Living Room and Diner

The lounge kitchen diner is one of the main features of this property that has a wonderful high ceilings, reaching to nearly 3.5m high. There are down-lights, wall lights and a continuation of the Amtico flooring throughout. The ceiling features four electrically operated Velux windows each with electrically operated blinds. The kitchen has cream gloss units and grey quartz worktops, with plenty of storage and a very large recessed stainless steel sink and a glass splash-back. There is a large central island unit which houses more storage and the wine fridge. There is a single electric oven, a four ring gas hob, a feature extractor, a built-in washer dryer, a full-size dishwasher and integrated fridge freezer. This area also benefits from French doors with glazed side panels opening onto a Juliette balcony.

Master Bedroom

The master bedroom has a triple fitted wardrobe at the entrance, with double hanging and shelves inside, opening out into the bedroom area which is carpeted in pale grey carpet and has an electrically operated Velux window, with an electrically operated blind.

Master En-Suite

The en-suite has contemporary feature tiles in grey & white, a bath with a shower over, a 'rain water' shower head and a separate handset. A vanity sink unit with a drawer under, a WC and a large tiled shelf and a fitted large feature mirror. There are down-lights, an extractor fan and an electrically operated Velux window.

Bedroom Two

Bedroom Two has a double wardrobe with single full height hanging shelves and double hanging inside, opening out into the bedroom area which is carpeted in pale grey carpet and has an electrically operated Velux window with an electrically operated blind.

Store Room

The storeroom houses the boiler and electrical switch fuse board and Alarm unit
