# 59 Roseland Park

Camborne, TR14 8NA

**Guide Price £259,950**

Roseland Park is a favoured area of Camborne being on the outskirts of the town on the north coast side. This semi detached bungalow is tucked away in the corner and offers two bedroomed accommodation together with a well appointed kitchen and shower room. There is also the bonus of a conservatory to the side. Heating is via a gas fired system and this is complemented by double glazing. The gardens are on a corner site and in our opinion are well proportioned and offer a lot of scope for the keen gardener. They are enclosed and quite private and to the front there is a tarmac hard standing providing parking and turning facilities for several vehicles. There is also quite a substantial garden shed. Camborne town offers a good range of shopping facilities together with a main line railway station and a bus depot. Access is given to the A30 and the north coast at Portreath is within approximately four miles.
