A short flight of stairs leads up to the apartment's private entrance, where the elegance and charm become immediately apparent with original polished wood floors and coved ceilings. The hallway provides access to all main living areas and includes two large storage cupboards.

The open-plan living room and kitchen, measuring an impressive 23 feet, is a bright and airy space filled with natural light from three sash windows with original shutters. A splendid marble fireplace with tiled hearth creates a beautiful focal point, complemented by coved ceilings, downlights, a radiator and polished wood flooring.

The recently installed kitchen features a stylish range of wall and base units with a breakfast bar, complemented by matching work surfaces and splashbacks. Integrated appliances include a double oven, four-ring electric hob with concealed extractor, washing machine, tumble dryer, dishwasher, fridge and freezer, making this both a functional and elegant space.

Bedroom one is a generous double with a sash window and window seat overlooking the front, complete with an original cast iron fireplace that adds a touch of period charm. The second bedroom is another well-proportioned double with two sash windows, providing plenty of natural light. Both bedrooms benefit from brand new local wool carpets, adding warmth and luxury underfoot.

The bathroom is beautifully finished with a linoleum floor and part-tiled walls, featuring a white three-piece suite comprising; a Jacuzzi bath with shower over, wall-hung wash basin and WC. Additional features include downlights, a sash window with original shutters, a vertical towel radiator, and another original cast iron fireplace. A fitted cupboard houses the Vaillant gas boiler, which is the type that can be connected to an app for convenient smart control.

Outside, the apartment benefits from that all-important allocated parking space, conveniently located to the rear of the building.
