Situated in the highly sought-after Old Portsmouth area, this spacious three-bedroom town house offers approximately 950 sq ft of well-proportioned accommodation arranged over three floors, set within a gated development and benefiting from an integral garage, parking and access to an attractive communal garden.

The ground floor provides a separate entrance hall with stairs leading to the accommodation above, together with a secure integral garage with power and lighting, providing valuable parking and additional storage space.

The main living accommodation is arranged across the second floor and features a particularly generous dual-aspect living/dining room, offering plenty of space for both comfortable seating and a dining area. The separate kitchen is fitted with a range of Shaker-style wall and base units, with a selection of appliances, while a useful cloakroom completes this floor.

The first floor provides three bedrooms, including a good-sized principal double bedroom with the benefit of an en-suite shower room. There is a further double bedroom and a third bedroom with fitted storage, which would also lend itself particularly well to use as a home office or study. The family bathroom is fitted with a white suite with shower over the bath.

A further benefit is access to the attractive communal garden, providing residents with a pleasant outside space with established planting and paved seating areas. In addition to the integral garage and parking within the development, the property is eligible for an on-street residents' parking permit, with further permits available to purchase if required.

The property has been redecorated decorated throughout and benefits from double glazing and good storage.

The location is a particular highlight, positioned on Penny Street in the heart of Old Portsmouth, close to the seafront and historic waterfront and within easy reach of local pubs, restaurants and amenities. Gunwharf Quays, with its extensive range of shops, restaurants and leisure facilities, is also within easy reach.

Offering generous and versatile accommodation together with the considerable advantages of a garage, parking and communal outside space, this well-positioned home provides an excellent opportunity to enjoy everything this highly desirable part of Portsmouth has to offer.
