The kitchen

Designed to support everyday cooking, the kitchen is arranged with a range of cabinets and work surfaces. A sink is positioned beneath the window, while dedicated spaces are provided for essential appliances, alongside an integrated oven, gas hob and extractor.

The living and dining room

Forming the principal reception space, this generously proportioned room provides ample scope for comfortable seating alongside a dedicated dining area. Two windows arranged along one elevation contribute to its open character.

The hallway

Welcoming residents into the apartment, the entrance hall connects each of the principal rooms and establishes a clear, practical layout. The adjoining utility includes base units and shelving, together with space and plumbing for a washing machine and space for a further appliance. This room also houses the boiler, adding valuable functionality to the accommodation.

The primary bedroom

Providing a comfortable retreat, the primary bedroom offers generous proportions with space for a double bed and additional bedroom furniture. Built-in storage provides valuable practicality, while the balanced shape of the room supports a flexible arrangement.

The second bedroom

Offering useful flexibility, the second bedroom is well suited as a guest room or study. Its rectangular proportions provide space for the necessary bedroom furniture, with straightforward access to the bathroom and remaining accommodation from the entrance hall.

The bathroom

Supporting the two bedrooms, the bathroom is appointed with a bath and shower over, wash basin and WC. A vanity unit provides useful concealed storage beneath the basin, completing the practical arrangement.

The communal garden

Providing an attractive shared outdoor environment, the communal garden features broad lawned areas framed by established trees, hedging and varied planting. Paved pathways extend through the grounds and connect different parts of the development, while the mature surroundings provide an enjoyable setting for residents.

The parking

A garage is provided for the apartment within a nearby block, offering valuable space for parking or storage. It is approached along a private road serving the development. Prospective purchasers should note that the property does not include an allocated parking space outside the garage.
