Beautifully presented three-bedroom detached bungalow, peacefully situated within a highly regarded Blagdon cul de sac - 15 The Old Water Gardens is a well-appointed and thoughtfully arranged single-level home, offering bright and comfortable accommodation with a practical layout ideal for downsizers, couples or those seeking village living with ease of maintenance. The property is accessed via an entrance porch opening into a generous lounge dining room, a light and airy space that forms the heart of the home. The lounge area is centred around a living flame gas fire, creating a welcoming focal point, while the dining area enjoys a delightful outlook over the rear garden through double glazed sliding doors. The kitchen breakfast room sits to the side and is fitted with a range of wall and base cabinets, work surfaces and a breakfast bar, providing a practical everyday space with access towards the garden. An inner hallway leads to three bedrooms and the family bathroom. The principal bedroom is a spacious suite, enjoying a range of fitted wardrobes and an en-suite shower room. The second bedroom also provides generous proportions and fitted wardrobe storage, while the third bedroom offers flexibility as a guest room, study or hobby space. The family bathroom is well appointed with a modern three-piece suite comprising low level WC, wash hand basin with vanity storage under and panelled bath with shower attachment over.

Externally, the rear garden has been designed with low maintenance enjoyment in mind and provides a private, sheltered setting. Enclosed by a half height stone wall within a leafy setting, the garden is predominantly laid to Indian sandstone patio with carefully planted raised beds, creating an attractive space for outside seating, potted planting and al fresco dining without demanding heavy upkeep. To the front, the property enjoys off-street parking for one vehicle together with access to the garage, which provides further parking, storage or workshop potential. The approach is particularly attractive, with the home positioned within a private cul-de-sac setting around an established pond, understood to be part of the old water garden from which the road takes its name. Established flowers and shrubs surround the pond and help create a charming first impression on arrival.

The Old Water Gardens is a small and appealing residential setting within Blagdon, a sought-after village in the Chew Valley, surrounded by beautiful countryside, lakes and walking routes. Blagdon offers a good range of local facilities including a convenience store and post office, public houses, café, primary school, cricket pitch and play area. The village is well placed for those looking to enjoy rural surroundings while remaining connected with Bristol, Bath, Wells and Bristol Airport all within reach, and a selection of well-regarded state and independent schools available locally. With its attractive single-level layout, pleasant garden, garage and private cul-de-sac position, 15 The Old Water Gardens represents a rare opportunity to acquire a beautifully presented bungalow in one of North Somerset's most desirable village locations.
