We are sales and marketing agents for new homes. Whilst we endeavour to ensure our sales

details/adverts/on-line representations etc. are both accurate and a true reflection of the development or individual property being marketed, certain information is provided from the outset to us by our developer client and we are reliant upon the same. Therefore, we recommend that if any items/points are of particular importance please raise these with the sales team so that confirmation or verification can be sought from our developer client. Please also be aware that floor plans are a visual guide to show where rooms are situated within the property and all measurements given are approximate. Some floor plans indicate location of where wardrobes, beds, furniture etc. may be placed and unless separately stated do not form part of the specification. Our developer client may amend the specification or make changes to the layouts during the build up until the property is complete. Whilst we aim to keep our marketing material as up to date as possible, we may not always be immediately aware of these changes if we have not been updated by our developer client.
