

Watsons Mill 1, High Street, Macclesfield, Cheshire SK10 5PH

This stunning Grade II Listed stone-built mill conversion has been thoughtfully transformed into a beautifully presented 3/4 bedroom home.

Ideally located in the heart of Bollington and laid out over three well-balanced floors, the property offers spacious and characterful accommodation with picturesque views towards White Nancy.

In brief the accommodation comprises an entrance hall, cloakroom/ W.C. utility room and a study/fourth bedroom on the ground floor. The first floor features the main open plan living accommodation. The lounge/dining room and large kitchen is separated by a glass folding door. To the first floor there are three bedrooms, of which two benefit from mezzanine floors and a bathroom.

There is a carport which can provide parking for one small vehicle and also leads to the single garage. From the rear of the garage there are double patio doors which open onto the new acquired gardens. The garden has a wonderful view and enjoys a sunny south westerly aspect capturing the best of the afternoon and evening sun.

The property has approved planning for a garage conversion.

Bollington is a popular location being a town which still feels like a village. It has an active community which ensures there are plenty of volunteers to support many events each year. It also hosts the Bollington Festival and has many clubs and societies. There are several good local primary schools with pupils then transferring to secondary schools in Macclesfield. There are many opportunities for walking and cycling and an increasing number of local restaurants, bars and independent food outlets.

Macclesfield is just 3 miles away with access to good transport links, including national motorways, major roads and train networks with direct access to London. Manchester International Airport is only ten miles from Bollington by road.

Proceed out of Macclesfield along the Silk Road. At the second roundabout take the third exit sign posted by Bollington and continue into the village. Proceed under the aqueduct and along Palmerston Street. Just beyond Pool Bank car park turn right into High Street where the property can be found through a stone arch way on the right hand side.
