You can't miss us, and you absolutely will not want to. The building is exceptionally appointed with a modern ground floor entrance, ample lifts, light and airy communal corridors and on site overnight security as well as daily cleaning of the communal areas.

If you are looking for an opulent studio apartment all to yourself, we have options available for you. Whichever you choose will be equipped with a comfortable double bed, designated study area with desk and storage. Each apartment also comes with its own, private en-suite bathroom. No queuing and no quibbles about cleaning. All our flats have their own modern kitchen, with a free to use washer/dryer, fridge/freezer, and plenty of space to relax in front of the TV. Fancy looking out across the city or the sea? Choose an apartment on the higher floors – the sights are stunning from the upper floors, they have some of the most spectacular views in the city and offer a real feeling of privacy and independence.
