WHAT OUR VENDORS SAY

We have loved living in this house and will miss it. The sun wakes us up as it hits the bedroom window. The large kitchen/dining space is a joy to use, and the garden is private and quiet and not overlooked.

In the evening, we retreat to the living room which is so cosy especially in the winter with the log burner on. Our daughter loves her own space and bathroom on the top floor. Alas it is time to move on.
