High Road, Chigwell

High Road, Chigwell

“Set on the prestigious High Road in Chigwell, this impressive first-floor apartment offers an exceptional combination of space, contemporary living and convenience, extending to approximately 2,055 sq ft.

The accommodation is thoughtfully arranged and centred around a substantial 20'7" x 21'3" living room, which provides an impressive principal reception space with direct access to a private balcony. A kitchen/dining room offers an elegant setting for entertaining and benefits from an attractive bay-style window arrangement, creating a wonderful sense of space and natural light.

The modern kitchen is generously proportioned and fitted with a central island, providing an excellent social and practical space for everyday living. A separate utility room adds further functionality and storage.

There are three well-sized bedrooms, including a particularly impressive principal bedroom with fitted wardrobes and its own en-suite bathroom. A further bedroom also benefits from an en-suite, while a separate WC serves the main living accommodation.

A particularly notable feature is the private lift, providing direct access into the apartment and offering both convenience and an additional level of security. The property also benefits from allocated parking.

Originally constructed in 2014, the apartment combines modern design with generous proportions and a highly practical layout. With its substantial living accommodation, private balcony, multiple bathrooms, lift access and prestigious Chigwell location, this is an outstanding apartment that offers a rare level of space and comfort.”

The property market has always interested me and seeing the reaction when someone finds their next home is something that really drives me to go above and beyond. I have a pride in my local area having grown up here, this also allowed me to grow a strong knowledge of the local community. With experience in the role already I look to provide a service to both buyers and sellers in which communication and transparency are key. I am incredibly proud to be a part of such a brilliant team dedicated to providing bespoke service to such a beautiful community.
