## Details

### Entrance Hallway

An external composite door with decorative opaque glazed panels and a matching side screen gives access to the entrance hallway. The wide hallway has a staircase with an oak handrail and glass inserts, with pull-out storage beneath. Of particular note is the LVT (luxury vinyl tile) flooring in a herringbone pattern, and there is an inset matwell. There is light and bright decor, coving to the ceiling and radiators. A door leads into the living room.

### Living Room

This reception room is positioned at the front of the property and has a limestone fire surround with a raised granite finished hearth, home to a glazed door wood-burning stove. There is ornate deep cornice coving, plenty of space for furniture, a uPVC window to the front elevation and a radiator.

### Dining Kitchen

This room has been redesigned and updated to create a large open-plan area, and is a major selling feature of the property. The kitchen area has wall cupboards and base units, worktops with matching upstands and an island unit incorporating a sink with a mixer tap, extending to create a breakfast bar. Integrated appliances include a Neff fan oven with a combination oven above, a Siemens induction hob with a pull-out filter hood above, a Siemens dishwasher and a fridge freezer. The room can accommodate a large formal dining table and could also be utilised as an everyday sitting area. It has provision for a wall-mounted TV. The dining area has a continuation of the LVT herringbone patterned flooring. It is light and bright with neutral decor, a rear uPVC window and large French doors providing access into the garden. There is a built-in pantry with plumbing for an automatic washing machine and a large storage cupboard, housing the hot water system for the air source heating. There is also a radiator.

### First Floor Landing

From the hallway, the staircase rises to the first floor landing, where a drop-down ladder gives access to useful loft space, with boarding, a window and lighting. The landing has an opaque side uPVC window, coving to the ceiling and a radiator.

### Shower Room

The good-sized shower room has a double walk-in shower cubicle with a glazed screen and a wall-mounted Mira shower from the heating system, with electronic operation. There is a rectangular hand basin with storage cupboards and drawers beneath and a low-level WC with a concealed cistern. The room has a large, illuminated rectangular mirror, coving to the ceiling and a chrome ladder style radiator. There is an opaque uPVC window to the rear elevation.

### External Details

In front of the property, there is a double-width driveway providing side-by-side parking for two vehicles, and a charging point for an electronic vehicle. There is a trellis style fence and a lockable timber gate. The side garden has perimeter walling and hedging, a level lawn, a stone flagged pathway and a large patio to one corner. There is external water and lighting. Adjoining the patio is a gravelled area, perfect for tubs, pots and planters, along with external power and a short run of timber steps leading up to the driveway, which is accessed off Alexandra Road. This in turn leads to the garage, with an up-and-over door, power and lighting. Useful storage can be found underneath the garage. At the rear, the garden has been designed for ease of maintenance, with a stone flagged pathway and stone/gravel. It houses the wood store for the wood-burning stove. This area also houses the air source heat pump.
