Bright Two Bedroom Apartment in an Elegant Victorian Red Brick Building

Occupying the upper floor of a handsome Victorian red brick building, this bright and spacious two-bedroom apartment combines period charm with generous proportions, all within easy reach of both West Hampstead and Finchley Road.

The building itself makes an immediate impression, with beautiful period communal areas, attractive stained glass detailing and the high ceilings synonymous with Victorian architecture.

Inside, the apartment is flooded with natural light throughout. The impressive reception room enjoys large sash windows and excellent ceiling height, creating a wonderful sense of space and openness. The separate fitted kitchen is modern and practical with ample storage and workspace, while the contemporary bathroom is well presented and benefits from natural light.

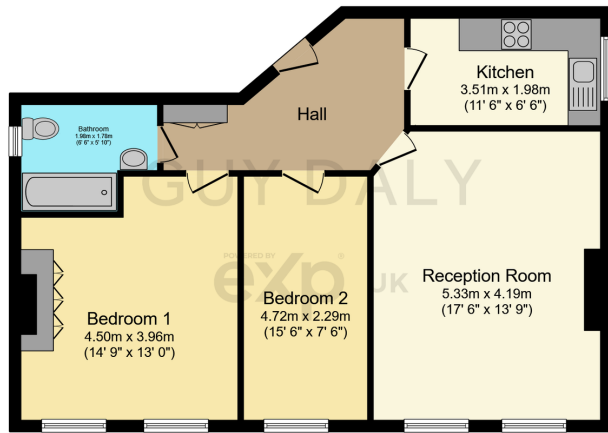

Both bedrooms are well-proportioned, making the property equally suited to owner occupiers, professionals sharing, first-time buyers or investors.

Perfectly positioned between West Hampstead and Finchley Road, the apartment is only a short walk from West Hampstead Thameslink and Finchley Road Underground Station (Jubilee & Metropolitan Lines), providing excellent connectivity across London. The cafés, restaurants, boutiques and amenities of West Hampstead Village are also within easy reach.
