The Property

Jordan Fishwick are delighted to present for sale this stunning four-bedroom end-terrace property, which has been fully modernised throughout, including a converted basement and dormer extension. Ideally located within a short walk of excellent transport links—such as Navigation Road tram stop providing direct routes to Manchester City Centre. The home is also close to local retail parks and the picturesque St John’s Leigh Park.

The property retains charming period features and comprises an entrance hall, an open-plan lounge and dining room with a solid-fuel burning stove, and a newly fitted kitchen providing access to both a cosy breakfast room and a separate utility room. The converted and versatile basement is currently used as a playroom but could equally serve as a home office or guest bedroom, and also offers a separate storage room.

To the first floor, there are three bedrooms, including two spacious doubles, along with a modern family bathroom. The second floor features the principal bedroom, complete with an en-suite shower room and additional caves storage.

The south-facing rear garden is fully enclosed, mainly laid to lawn, and complemented by a patio area. To the front, the property benefits from off-road parking and a small garden with steps leading to the main entrance.
