This attractive detached family home is set in a quiet cul-de-sac location within walking distance of the town centre, excellent bus links, and highly regarded primary schools. The property benefits from a driveway, a detached garage, and a good-sized garden, making it ideal for family living. Step inside and you are welcomed by a light and airy entrance hall. To the right is a spacious sitting room with windows to both the front and rear, allowing plenty of natural light to fill the space. To the other side of the hall, the home flows into a separate dining room, which sits next to the well-planned kitchen. The kitchen also connects to a practical utility room with direct access to the garden. Back off the hall, there is a study that works perfectly as a home office, along with a downstairs WC for added convenience. Upstairs, the master bedroom enjoys its own en-suite shower room. Three further bedrooms provide flexible accommodation for children, guests, or hobbies, and a family bathroom completes the first floor. Outside, the rear garden offers a generous space for relaxation, play, or entertaining. The detached garage and driveway provide secure parking and additional storage. The property also benefits from solar panels, which improve energy efficiency and help reduce running costs. This home combines space, comfort, and practicality in a sought-after setting, making it an excellent choice for families.
