DIRECTIONS

From our office turn left onto Alverton Street and left again onto Morrab Road. At the lower Zebra Crossing turn right onto South Place Folly and continue onto Redinnick Place. Take the second turning on the right onto Redinnick Terrace where number 12 is located on the left hand side of the road.

Located in the heart of Penzance's historic seaward quarter, this traditional period home offers much more than meets the eye. The property features a cleverly extended ground floor with an open, flowing layout that links the various living areas, creating a sense of space and connectivity throughout.

The accommodation leads naturally from the initial dining area into the lounge, continuing through to a suite of versatile spaces including a study, office, and practical storeroom. This "room-to-room" flow makes the house incredibly adaptable; whether you need a dedicated workspace, a hobby room, or simply extra storage, the layout can be tailored to suit your lifestyle. The ground floor is completed by the kitchen and a convenient shower room.

Upstairs, the first floor comprises three bedrooms, offering comfortable accommodation in a bright, coastal atmosphere.

The Lifestyle: Living on the seaward side puts the best of Penzance on your doorstep. You are a level walk away from the iconic Jubilee Pool and the sub-tropical Morrab Gardens, while the town's independent shops and cafes are just around the corner.

Outside: The property enjoys low-maintenance garden areas to both the front and rear. With no onward chain, this is an excellent opportunity for those looking for a functional, multi-purpose home in a prime coastal location.
