The Agent that goes the Extra Mile

An exciting opportunity to acquire three beautifully presented cottages, collectively known as Green Cottages and The Coach House, privately positioned around an attractive gated courtyard and within walking distance of Tenby's historic town centre, picturesque harbour and renowned beaches.

Offered for sale collectively and with no onward chain, the properties are currently operated as successful holiday lets, their convenient location is a particular attraction for visitors, while the inclusion of private parking for each cottage is an exceptionally valuable and sought-after feature in Tenby.

Each property offers charming, well-presented accommodation centred around an open-plan living, dining and kitchen area, with steps leading to a double bedroom and en-suite shower room. The Coach House adds its own individual character with a spiral staircase connecting the two levels.

Beautifully maintained and ready for immediate use, this versatile collection of properties presents numerous possibilities. New owners could continue the established holiday letting business, explore residential letting opportunities, or create a wonderful multi-generational arrangement where family members can enjoy their own independent accommodation while remaining close together.

Outside, the three cottages share a low-maintenance private courtyard, secured by both vehicular and pedestrian gates, with each property benefiting from its own allocated parking space. Further features include double glazing, Green Cottages have electric heating and the Coach House has gas heating.

Combining location, versatility, income potential and the rare advantage of private parking, Green Cottages and The Coach House represent a truly distinctive opportunity in one of Pembrokeshire's most desirable coastal destinations.

An exceptional collection of properties that really must be viewed to be fully appreciated!

(Fixtures and fittings are available for separate negotiation)
