Description

Having recently undergone a plethora of works and decorations to transform, what was a boring boxy home, into this wonderfully characterful and colourful home with French inspired décor with sleek furnishing. Complimenting this is a secure and private low maintenance rear garden which will make you feel as though you're on a French holiday when Alfresco dining or soaking up the sunshine when the weather permits.

Upon entry, an uplifting hallway with stairs rising to the first floor offers a useful storage cupboard and provides access to the dual aspect sitting room, a dual aspect kitchen-diner and lastly a trendy ground floor WC with wood panelling. The sitting room offers a super amount of natural light with both front and rear windows and French doors. The focal point of this room is a multi fuel burning stove with brick hearth and oak mantle. On the opposite end of this house the kitchen dining with ample cupboards, integral appliances and *range cooker, offers the perfect space for culinary exploration or entertaining guests while prepping for your very own Come Dine with Me experience.

Moving upstairs we have three well-proportioned double bedrooms. The principle bedroom offering moody but calming décor with built in wardrobes offers a private space in which to unwind with the comforts of your own ensuite WC and shower facilities. The other two rooms are of a good size, serviced by a recently fitted family bathroom. Outside we have a thoughtfully landscaped garden, which is fully enclosed, with low-maintenance gravel beds enhanced by splashes of colour from potted flowers and flower beds. A new double banded oil tank for the new oil fired boiler. A curtesy gate offers access to the parking in the rear, with 2 allocated parking spaces and access to a spacious garage offering both power and electric up and over door.

*Available for separate negotiation or included if you offer the right price.
