Summary

One of just two properties forming this exclusive development on the Sandbanks Peninsula, 2 Westpoint occupies a superb position close to some of the area’s most valuable waterfront homes. The Sandbanks Ferry is just around the corner, providing easy access to Shell Bay and the Purbeck coastline, while beautiful sandy beaches are only a short walk away.

Arranged over three floors, the property offers around 1,900 sq ft of versatile accommodation plus an integral garage. Smart grey windows and extensive glazing give the house a contemporary appearance and allow natural light to flood the principal rooms. The ground floor provides a bedroom with en suite facilities and a further study/bedroom offering excellent flexibility for guests, family life or home working.

The main living accommodation occupies the first floor, with a generous kitchen/dining room featuring a central island and access onto a rear terrace with steps leading to the garden. A generous living room opens onto the front balcony, while a utility room and cloakroom complete this level.

Upstairs are two generous bedrooms, including an impressive principal suite with a dramatic vaulted ceiling, extensive glazing, fitted wardrobes and en suite facilities. Bedroom two also benefits from its own en suite.

Bedroom one, Bedroom two and the Cinema Room/Bedroom five all benefit from air conditioning. Outside, the level and enclosed rear garden provides an easily usable space for relaxing and entertaining, while a private driveway and integral garage provide excellent parking and storage.
