Full Description

An immaculately presented detached modern cottage built in 2004, in a sought-after rural location, 3 bedrooms (1 en-suite), superb fitted kitchen, gardens and excellent parking. This exceptional, detached property occupies a peaceful rural setting in the highly favoured village of King's Thorn which lies between the Cathedral City of Hereford (6 miles) and the market town of Ross-on-Wye (9 miles) with the M50 motorway link (junction 3) with good connectivity to Birmingham and South Wales. Within the Parish of King's Thorn there is a bus service and a village hall and further amenities are available in the neighbouring village of Much Birch where there is also a public house, church, a primary school and doctors' surgery.

The property was constructed just over 20 years ago in a traditional style of stone elevations and has oil central heating, double glazing and is very well presented with further features including a superb fitted kitchen, a large second floor bedroom, a large parking area with space for the erection of a garage (subject to necessary planning consent) and an attractive garden with various seating areas designed for ease of maintenance.

Planning permission was approved on 19th April 2023 for an Oak framed single storey extension (application number 230559) - full plans are available on the Herefordshire Council Planning Portal (now lapsed).
