CHAIN FREE SALE.

Occupying a corner plot in a popular residential area of Beltinge Village, this beautifully extended five-bedroom detached home offers a superb balance of space, light and modern family living, just a short walk from the seafront.

Extending to almost 2,000 sq ft of versatile accommodation, the property is centred around an impressive 27ft kitchen/family room, forming part of a continuous open-plan living space. Featuring a vaulted ceiling with skylights and a bespoke birch ply kitchen, this striking area runs seamlessly into a bright dining area, creating a light-filled, open and highly sociable living space with a strong connection to the garden, with bifold doors from the dining area opening onto the patio.

A separate sitting room with wood burner provides a cosy retreat, offering a welcome contrast to the open-plan living.

The layout is ideally suited to modern family life, with a ground floor bedroom/further reception room and shower room, perfect for guests or home working.

To the first floor are four well-proportioned bedrooms, served by a family bathroom, along with a useful study.

Externally, the property benefits from its corner plot position, enjoying a greater sense of space, light and privacy than many neighbouring homes. Bifold doors open onto a paved sun terrace with integrated lighting, with steps leading up to a lawned garden.

The property is just a five-minute stroll from the beach and benefits from a chain-free sale, making it an excellent opportunity for those looking to move swiftly.
