THE DWELLING

This super home, which is offered for sale with no onward chain, benefits from gas central heating, upvc double glazing, coved ceilings, attractive timber effect flooring and a private garden to the rear. The house lies a short distance from Yeovil town centre and early viewing is very much advised.

ACCOMMODATION

A upvc double glazed entrance door leads to the reception hall, having parquet floor tiling, whilst the sitting room is a good size overlooking the front of the property.

There is a good size dining room having an understairs storage cupboard, whilst the kitchen is dual aspect, having an attractive range of units with timber effect worktops with cream doors.

Fitted appliances include a four ring hob, oven and a cooker hood, whilst there is a breakfast bar, double glazed door to the rear, a gas boiler and a number of wall cupboards.

On the first floor is a landing with a hatch to the roof space, which is mostly boarded with insulation under, whilst there are three good size bedrooms and an attractive, fully tiled bathroom with a white suite.

OUTSIDE

To the front of the house is a small area of garden, whilst to the rear, the garden is laid to lawn, patio, water feature and is enclosed by lap panel fencing and brick walling.

SITUATION

The home is located just off the town centre of Yeovil, only a short distance from the main shopping centre. The beautiful Ninesprings Country Park is close by, which is a 127-acre park in the middle of the town, incorporating an abundance of small rivers, lakes, waterfalls, grassland, country trails and walks. There is also a large woodland and a children's play area.

The town of Yeovil offers two mainline rail stations at Yeovil Junction and Pen Mill, both within a mile of the property. There are excellent shopping, business and cultural facilities; 3 supermarkets, as well as schools from primary through to secondary and a college within easy reach. Regular buses run within the town and the neighbouring towns and villages. The town is also extremely well placed, jointly on the A30 and A37, the A303 trunk road is only about 5 miles away, with the M5 (Junction 25), about 20 miles away, and the South Coast is 25 miles distant.
