A well-presented two-bedroom conversion with plenty of period charm and a generously sized garden!

Sellers comments - "We have loved the past five years in this flat and it's been a lovely place to start our family. We feel so lucky to have a proper garden and it's a joy to watch everything grow and bloom throughout the year. It's great being so close to Ruskin Park and Myatt's Fields, which always have so much going on, from live music to sport to dog shows - there is even a trapeze school some years. Ruskin Park has an excellent sauna now too. Loughborough Junction is an amazing spot with a unique character - where else would you find both a riding school and jerk chicken? We are moving to get more space for our growing family but will miss the area and will definitely be back to visit."

Internally you are presented with a spacious reception room, with plenty of space for relaxing and for a dining table and chairs. The room has a bay window allowing for plenty of natural light, a feature fireplace and shelving built into the alcoves. The modern kitchen has a good range of white wall and base units and complementary sleek work tops, a built-in oven and hob and finished with a navy-blue metro tiled splash back and large neutral floor tiles. Leading out to the generously Southwest facing sized garden, there is a paved area which is perfect to dine alfresco, a grass area and planted boarded with established plants and trees not only creating privacy but an outdoor oasis. The master bedroom has a bay window and benefits from built in storage and the second bedroom is perfect for a guest bedroom, home office or nursery. The bathroom has a three-piece suite complete with a shower over the bath, a sink and a WC and has been finished with grey metro tiling on the walls and complementary floor tiling.

Eastlake road sits on the edge of Camberwell, bordering Brixton. Brixton tube station (Victoria line) is 1 mile away, easily accessible via bus, Loughborough Junction station (Thameslink) is 0.2m and Denmark Hill station is a 0.7m walk through Ruskin Park, with services fast to Victoria and the South-East coast and the Overground between Clapham Junction, Highbury and Islington via Shoreditch. Coldharbour Lane has a wealth of bus routes taking you across London. Camberwell is well known for its art scene and has an ever-growing number of cafes, galleries, bars, and restaurants that attract a real buzz on the weekend. Brixton is now one of London's hottest nightspots and a real foodie haven.
