## Description

Westgate is a highly regarded street lined by a variety of large and small property types that runs in a Westerly direction along the Southern edge of the village. Hazel Cottage is a pretty, semi detached, stone cottage with a block set drive to its front and a surprisingly long private garden to its rear.

Over recent years the latest owner has extended the property at the back to offer a lovely open plan dining kitchen that overlooks the garden and with bi-fold doors that open into it. Hazel Cottage has a modern fitted kitchen with integrated goods, a down stairs cloakroom and then a sitting room to the front of the cottage with a log burning stove. Upstairs there are three bedrooms served by a house bathroom.

Outside the garden has seating areas linked by a footpath that extends through a lawn to a cottage garden at its end with a green house and timber framed shed.
