PERSONAL • PROFESSIONAL • PROACTIVE

This newly built four bedroom detached family home has been finished to an exceptional specification, combining contemporary style with impressive sustainability. Designed for low running costs and outstanding energy efficiency, it benefits from an air source heat pump and PV solar panels.

Inside, the property showcases a range of high quality features, including engineered oak flooring, USB-integrated sockets, solid internal doors with a sleek black metal finish, and underfloor heating throughout the ground floor. Every detail has been carefully considered to create a modern, comfortable, and energy-conscious living environment.

The layout begins with an inviting entrance hall and a convenient downstairs cloakroom, leading into a spacious open-plan lounge, kitchen and dining area, complemented by a utility room and a versatile office or playroom. Upstairs, the main bedroom enjoys its own ensuite shower room, while three further bedrooms are served by a modern family bathroom. Outside, there is ample off-road parking for up to four vehicles and a rear garden with views across a paddock.

Church Lawford is a charming village positioned between Coventry and Rugby, both of which provide an excellent range of shops, amenities and highly regarded schools. The area is well connected, with easy access to the M1, M6 and M45 motorways, and Rugby train station just a short drive away, offering direct services to London Euston and Birmingham New Street.

Accommodation Comprises
