Worcester Park, KT4 8TF

Price Guide £499,950

Silverman Black is delighted to offer this stunning three double bedroom, hugely extended terraced home located on the Worcester Park/North Cheam borders. Completely refurbished, little of the original house still remains with the current owner largely "gutting" the entire house - starting with new wiring & plumbing, the addition of a substantial ground floor rear extension, fitting a beautiful fully integrated kitchen, adding a new ground floor WC, installing new double glazed windows and doors, a new roof, new central heating, refitting the first floor bathroom, putting in new quality flooring and a full programme of redecoration - the list simply goes on and on! And in addition to this, the owner has part completed a large loft extension - the external Mansard roof has been installed, the staircase has been fitted - but the internal fit out is only part way through to completion - but when this project is finished this will provide a 15 ft x 15 ft master bedroom. In more detail, the accommodation comprises an enclosed storm porch, entrance hall, cloakroom and a huge 30 ft long, open plan living/dining/kitchen on the ground floor - featuring a luxury kitchen suite - on the ground floor, with two double bedrooms and the refitted family bathroom on the first floor and the main bedroom in the loft. Externally, there is off street, private parking for two vehicles to the front, with a tiered 40 ft rear garden which enjoys a sunny south-easterly aspect. Overall a fantastic refurbished, extended home - with real "wow factor". In terms of local facilities, the shops, bars & restaurants of Worcester Park High Street are less than half a mile distant (10 minutes walk) - whilst Worcester Park BR station (with connections to Guildford, Wimbledon and London Waterloo) is approximately 1 mile distant. The borough is well served with several excellent primary and secondary schools - and is highly rated in London for education. Viewing is highly recommended
