M Coleman Estate Agents are delighted to present this traditional 1950's three bedroom semi-detached residence in an enviable corner plot position. The property has served its current owners for over 60 years and is being brought to the market with no onward chain.

A welcoming entrance hall provides access to all principal rooms on the ground floor. The sitting room enjoys a round bay window flooding the space with natural light, complemented by a feature fireplace that creates a warm and inviting atmosphere. The dining room is positioned to the rear of the property where sliding patio doors give access to the garden. The galley style kitchen boasts a range of wall and base units with built in eye level double oven, gas hob and extractor. Additionally there is under counter space with plumbing for a washing machine, slimline dishwasher and fridge. The kitchen has been well loved and maintained but we are confident most buyers will want to mark their own stamp on this room.

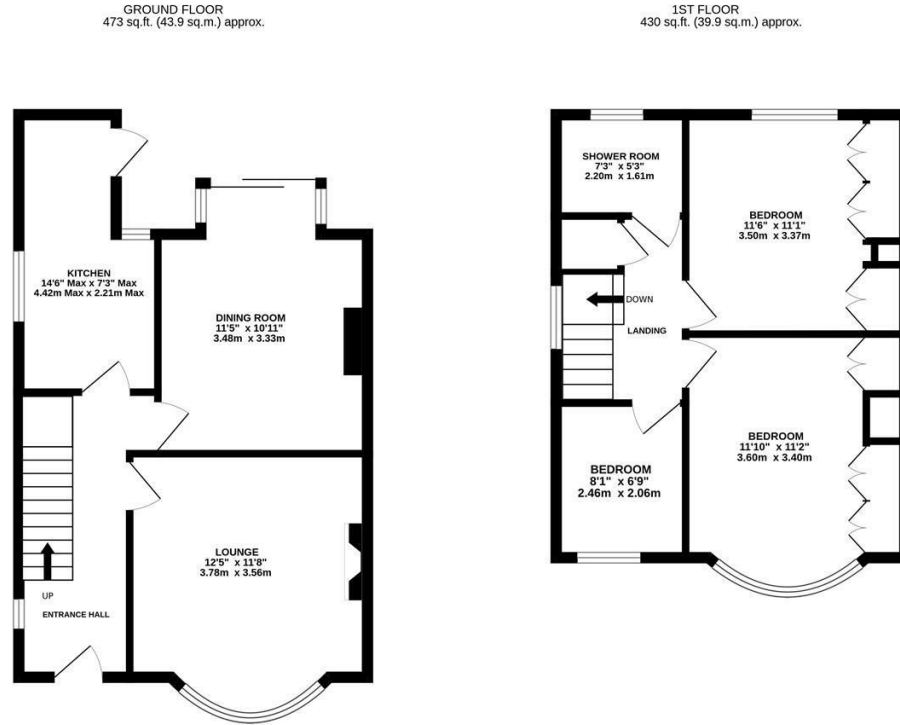

To the first floor are three well-proportioned bedrooms, with bedrooms one and two benefitting from fitted wardrobes. A stylish family shower room has recently been replaced offering a walk in shower enclosure, wash hand basin into a vanity surround and WC. The room is completed with shower boarded walls and a window to the rear.

Externally, the walled front garden provides a lawn with mature shrub borders. There is off road parking and gated access leads to a single garage with power and light. The fully enclosed rear garden is an ideal retreat with established tree and shrub borders offering privacy and seclusion. A crazy paved patio and level lawn is a perfect secure space for children to play.

The property is within easy reach of the highly regarded Bromley Heath Infant and Junior Schools, while the vibrant centre of Downend provides local shops, cafes and restaurants whilst larger supermarkets and retail parks can be found in nearby Emersons Green.
