EXTERIOR

Double Garage & Parking

The property benefits from extensive block paved parking for numerous vehicles and leads to a detached double garage with electric doors which has power and light fitted, eaves storage, and a courtesy door to the garden.

Front & Rear Gardens

A particular feature of the property are its delightful, professionally landscaped front and rear gardens (South West facing) which provide a wide array of architectural planting to create various entertaining and relaxing areas for the owners. From the kitchen / breakfast room a set of French doors open to a substantial pergola which frame two established wisteria plants and leads to the rear hot tub area with cover. The large composite deck with inset lighting can be accessed by the pergola and also from the kitchen and main lounge. This area is ideal for entertaining throughout the year and leads you to a circular all weather lawn with well stocked borders of specimen plants and trees. In addition, there is a walled patio area ideal for barbecuing to the side which also has direct access to the lounge. To the garage side of the gardens, a storage has been created with log store and gated access to the driveway.
