ADDITIONAL INFORMATION

Shared Ownership with Beyond Housing provides an affordable way to step onto the property ladder. Buyers purchase a share of the property (in this case, 30%) and pay a subsidised rent on the remaining share, reducing the upfront cost of home ownership.

To be eligible, applicants must be aged 18 or over, have a household income of £80,000 or less per year, and be unable to purchase a suitable home on the open market. Priority is typically given to first time buyers, although applicants who have previously owned a home may still be considered if they are unable to buy outright.

Buyers must be able to secure a mortgage (if required), pass affordability checks, and use a solicitor approved by Beyond Housing. There is also the option to increase ownership over time through staircasing, subject to eligibility and affordability.
