SITUATION

The building plot is situated on the southern outskirts of this popular village with it's church, primary school, village hall and popular pub. Martock is within 1.5 miles, where a good range of day-to-day facilities can be found. For a greater selection Yeovil is within 6 miles where an excellent range of shopping, recreational and scholastic facilities can be found, together with a mainline rail link to Exeter and London Waterloo.

DESCRIPTION

The building plot forms part of a small development of select properties which includes a barn conversion (sold off plan) and an additional new build to be built by the owner of the farm. This is an exciting opportunity to construct a spacious four bedroom detached property, constructed principally of local stone with some timber horizontal cladding, with adjoining double garage, all contained beneath a tiled roof. Plans show the following accommodation: ground floor entrance hallway, cloakroom, living room, kitchen/dining room, utility room, study, boot room, shower room and a farm office, all on the ground floor and on the first floor, four bedrooms, one en suite bathroom, together with a family bathroom.

Outside the property will be approached over an initial shared driveway leading to it's own enclosed parking area, together with double garage. To the rear of the property will be an enclosed garden, allowing purchasers to landscape to their own design.

PLANNING

Planning was granted under application 22/00303/FUL for the demolition of various buildings (which has already been carried out) and the erection of a detached four bedroom farmhouse.

SERVICES

Mains water and electricity are available onsite. Drainage will be to a private treatment plant to be installed by the purchaser.

VIEWINGS

Strictly by appointment through the vendors selling agent. Stags, Yeovil office telephone 01935 475000.

DIRECTIONS

Exit the A303 east of Cartgate roundabout, signposted Ash. On entering the village, Spring Farm will be seen on the left hand side. Continue into the driveway wherupon the building plot will be seen on the right hand side.
