LOUNGE 16'2" apx x 11'2" max

This generously sized lounge provides ample space for a range of free-standing furniture and has a feature fireplace which houses a gas fire. There are alcoves either side of the chimney breast, a front-facing window, ceiling and wall lighting. A large archway opens up into the dining room, making this a wonderful social space perfect for entertaining family and friends.

DINING ROOM 12'9" apx x 11'3" apx

Once a second bedroom, the downstairs has been reconfigured to create a superb dining room space with sliding patio doors which open on to a decked balcony. From the balcony, you can sit and enjoy the picturesque views over the rooftops to the rolling countryside. An archway leads back to the lounge, a glazed door opens to the inner hall and a staircase ascends to the attic room.

INNER HALL 6'2" apx x 3'11" apx

The inner hall links the dining room, kitchen, bedroom and shower room, with doors leading to each.

KITCHEN 9'11" apx x 9'5" apx

This light and airy kitchen is fitted with wooden wall and base units, roll-top work surfaces and a stainless-steel sink and drainer with mixer tap. There is space for a freestanding oven, fridge freezer and washing machine. A side-facing window looks out over the garden and an external part-glazed uPVC door opens onto the side patio, perfect for alfresco dining. A further glazed door leads to the inner hall.

BEDROOM ONE 9'11" apx x 9'2" apx

Positioned to the rear of the property, with beautiful views from its window, is this well proportioned double ground-floor bedroom. There is space for a selection of bedroom furniture items and a glazed door leads to the inner hall.

SHOWER ROOM 6'1" apx x 5'4" apx

Recently fitted, this modern shower room comprises a double walk-in shower cubicle with glazed screen and electric shower, a hand wash basin with hot and cold taps which sits upon an attractive vanity unit, and a low-level W.C. The room is fully clad in PVC wall panels, has an obscure-glazed side-facing window, flush ceiling light fitting, vinyl flooring and a glazed door which leads to the inner hall.

ATTIC ROOM 14'9" max reducing to 8'2" x 13'4" into the eaves.

Offering a fantastic additional space, this attic conversion was previously used as a bedroom and has space for a double bed, drawers and dressing table if required. Alternatively, this would make a great hobby room, second sitting room or home office/work space. There is access into the under eaves, which offer handy storage, and the central heating boiler is also neatly tucked away into the eaves space. A Velux window allows natural light in and a staircase descends to the dining room. (Please note there is no building regulation certification for this work).

GARAGE AND DRIVE

There is a good-size driveway suitable for parking multiple cars off-road which leads up to a good-sized detached garage which has an up-and-over door, light and power.

WRAP AROUND GARDENS

To the front of the property is a lawned walled garden. Steps lead down from the kerbside, and a path leads to the front door. The side garden has been landscaped to include an Indian stone-flagged patio, perfect for outdoor furniture, a lawn and a low-maintenance flower bed planted with shrubs. The garden then wraps around to the rear of the property, where there is a pebbled private rear garden.
