MULBERRY HOUSE

The property is entered through a welcoming reception hall, with doors leading to the principal reception rooms and stairs rising to the first floor. The reception space includes a generous sitting room with a large fireplace, a bay window and separate French doors opening to the rear garden, as well as double doors connecting to the dining room. There is also a study and a delightful triple aspect family room fitted with shelving and storage. A second entrance from the front drive leads into a large hall/boot room and the second family room/sitting room. This area can also be accessed from the kitchen, offering excellent potential to create a self contained annexe. Mulberry House features a delightful kitchen/breakfast room that opens into the dining room and orangery. The kitchen is fitted with a range of wall and base mounted units, a breakfast bar, a range cooker and integrated appliances including a dishwasher, fridge and freezer.

THE PROPERTY (CONTINUED)

There is ample space for a dining table, and the room flows through to the orangery, which provides an additional dining area. This light and airy space offers lovely views over the rear garden and terrace. To the rear of the kitchen is a utility room with a door to the outside. The first floor offers five bedrooms, a family bathroom and a spacious landing with extensive built in storage. The principal bedroom features a generous en suite with both bath and shower, fitted wardrobes and large picture windows overlooking the garden and open countryside beyond. The second bedroom also benefits from fitted wardrobes and an en suite shower room, while the remaining three bedrooms each include fitted wardrobes. Completing the accommodation is an integrated guest suite, accessed from the boot room via a spiral staircase, providing a double bedroom with its own en suite shower room.

GARDENS & GROUNDS

The grounds of the property are a real highlight, featuring an attractive front drive with ample parking. The fantastic rear garden includes a large terrace running across the back of the house, accessed via two sets of double doors.

Beyond the terrace lies a generous lawn with tiered, herbaceous borders and steps leading up to a 'Breeze House', creating an ideal space for entertaining. To one side of the garden is a summerhouse and a shed, both with electricity, along with a paved utility area behind the house accessed from the kitchen and utility rooms. At the far end of the garden, through gated access, is a large paddock with a mix of wildflower meadow and lawn—an exceptionally tranquil setting.
