An ideal first-time purchase in the heart of Guildford town centre. This beautifully presented three-bedroom home benefits from the rare advantage of private parking for three cars, a well-maintained enclosed garden with rear access, and a fresh contemporary finish throughout. The current owners purchased the property in 2022 and have since undertaken an extensive programme of renovation and improvement, including the installation of a stylish new kitchen and bathroom. The property now offers a modern, move-in-ready feel, further enhanced by updated flooring featuring wood effect finishes to the ground floor and new carpeting upstairs. Tastefully decorated throughout, the house is both stylish and practical, with double-glazed windows and doors, as well as gas central heating via radiators, ensuring comfort and efficiency. Altogether, it represents a straightforward, low maintenance purchase ideally suited to first-time buyers, commuters, or investors alike.

Outside, the enclosed rear garden is mainly laid to lawn and enjoys a pleasant, private feel, with a lockable gate providing convenient rear access. The garden backs onto the platform at London Road station, making the property particularly appealing for those commuting.
