PROPERTY:

Modern Detached Home in Prime Cul-de-Sac Location with Views Towards Dartmoor

Completed in 2021, this beautifully finished detached home is tucked away in a sought-after cul-de-sac near the top of Windmill Hill, just a short walk from Launceston town centre. It's perfectly positioned with excellent access to Coronation Park, the local sports hall and swimming pool, Launceston College, and Windmill Hill Academy – making it a fantastic choice for families or professionals seeking modern comfort with convenience.

Step inside and you'll find a bright and stylish interior, with engineered oak flooring running throughout the ground floor and recessed lighting creating a warm and contemporary feel. Double glazed UPVC windows (dark grey externally, white internally) ensure energy efficiency and a sleek finish, while natural cedar cladding to the upper exterior adds real architectural character.

A covered entrance porch leads into a welcoming hallway with a built-in storage cupboard housing the mains gas combination boiler, and a separate WC. Tucked under the stairs is a cleverly designed utility space with plumbing for both a washing machine and tumble dryer.

The main living area is open plan and 'L' shaped, offering flexible zones for lounging, dining, and cooking – ideal for both everyday life and entertaining. The lounge features bi-fold doors opening onto the garden, while the dining area has French doors, creating a seamless flow between inside and out – perfect for hosting friends and family in warmer months.

The bespoke kitchen is a real highlight, featuring contemporary grey base units and crisp white wall units in a sleek handle-less design. It's finished with a durable white Silestone Blanco worktop and a striking aqua splashback behind the induction hob. Integrated appliances include a fan oven, fridge/freezer, dishwasher, and a hidden extractor fan for a clean, minimalist finish.

Upstairs, there are three double bedrooms, each one benefiting from double fitted wardrobes and lovely views towards Dartmoor. The principal bedroom also includes a modern en-suite shower room, while the family bathroom offers a shower over the bath, vanity unit, and a practical built-in storage cupboard.

Outside, the rear and side gardens are mainly laid to lawn and fully enclosed – perfect for children and pets – with a paved patio offering a sunny spot for outdoor dining. The garden enjoys stunning and far-reaching views of Dartmoor, and the side garden has been attractively landscaped to enhance its usability. There is also a large shed in place, providing excellent storage or potential for a workshop or hobby space.

A detached single garage with electric roller door provides secure parking and additional roof storage, with a private driveway to the front.

This is a stylish, energy-efficient, and well-located home that's ready to move into – ideal for anyone looking for a modern lifestyle in a quiet yet connected part of Launceston.
