**IF YOU LIVED HERE...**

You'll love approaching your home, with the tiled pathway and bay frontage. Head through your hallway to your large reception room, which is beautifully bright with immaculate decor and thoughtful features such as the custom shutters. Head to the rear and you'll find your smart kitchen, fantastically decked out with inky blue units, brass fittings and sleek terrazzo-style worktops - you'll love making use of the breakfast bar, showcased by the skylight overhead. Your bathroom is just as modern, with gorgeous vintage-style features and a plush walk-in shower.

Head upstairs and you'll find three stylishly decorated bedrooms with soft carpeting underfoot and more period features such as the ornate picture rails.

Back downstairs, exit through the patio doors in your kitchen and enjoy your spacious rear garden, which is wonderfully secluded thanks to the mature foliage, not to mention being a sun trap due to the south-west facing position.

Beyond, you have a fantastic neighbourhood to explore... Head towards St Peters-in-the-Field to enjoy the tranquility of Epping Forest, or head in the other direction towards Lloyd Park for the more curated gardens and facilities.

As for food and drink-based perks, you're in luck because Wood Street is thriving...

Not only does it look great thanks to the good work of local mural studio Wood Street Walls, but several exciting new stores and eateries have popped up amongst the old favourites, like the brilliantly unique Wood Street Indoor Market and local institution garden centre Lancasters. Not sure where to start? Try the Lebanese and Palestinian eatery Mini Hiba, new craft beer bar Wood Street Bear, tasty brunch spot Dudley's and the iconic (thanks to the Real Housewives of E17 Instagram account) Wood Street Bakery (the jalapeño and cheese twist is a must).

**WHAT ELSE?**

-You're only a 14 minute stroll to the Ravenswood Industrial Estate, which is home to the ever-popular God's Own Junkyard, as well Pillars Brewery, Trap and gin palace Mother's Ruin.

-You don't have to travel far to dine in style; Arte e pasta, an Italian sharing plate restaurant with a focus on hand-made pasta, is a mere 0.5 miles from your home.

- If you want a change of scene from the forest, head to Fellowship Square for the fantastic fountains, a delight for people of all ages, and cultural events organised by the local authority - it's a 15 minute walk from your front door.

**A WORD FROM THE EXPERT...**

"For me it's the sheer variety you find in each pocket of Walthamstow that makes working and socialising here so enjoyable. Whether it's having a coffee from Perky Blenders, going for a Sunday morning walk in Epping Forest, dropping into one of the local breweries in Blackhorse Road, or catching up with friends in Lloyd Park, the growth and positive changes within E17 have been incredible in recent years."
