A well-presented, 3-bedroom, extended semi-detached cottage located on the popular southern side of Haywards Heath in St. Johns Road. The property is conveniently situated to the Princess Royal Hospital and other local amenities and transport links, with a Sainsbury's Local just a few minutes' walk away.

Occupying an elevated position, the property enjoys roof and treetop views of the surrounding area from the first floor. The ground floor offers a spacious open-plan living and dining room with laminate flooring and two built-in storage cupboards. The modern kitchen features white gloss units and integrated appliances including fridge/freezer, dishwasher, washer/dryer, oven, and gas hob. There is a separate ground floor WC.

Upstairs, the layout includes a double bedroom at the front, a good-sized single bedroom, and an additional smaller double or large single bedroom. The family bathroom is fitted with a white suite and shower over the bath.

The house benefits from gas central heating and double glazing throughout. Outside, there is a fully enclosed, walled courtyard garden to the rear and a practical shingled drive offering off-road parking for up to two vehicles at the front.

The property is being offered with no onward chain and would make an ideal first-time buyer's home or a buy-to-let investment. In our opinion, it could achieve a rental income of approximately £1,600 to £1,700 per calendar month.
