Grade II Listed Town House Close to Tiverton High Street – No Onward Chain

Just a short walk from Tiverton High Street, this Grade II listed town house offers generous accommodation arranged over several levels, with plenty of character and scope for a buyer to put their own stamp on it. Offered with no onward chain.

The ground floor provides a comfortable living room to the front, leading through to a separate dining room. From here there is access to a useful cellar, along with a small utility area and a ground floor cloakroom.

The first floor includes a kitchen set to the rear of the property, a bedroom and a bathroom. Stairs continue to the second floor where there are two further bedrooms and an additional bathroom, making the layout flexible for family living or guests.

The property retains a number of period features in keeping with its listed status and offers an interesting, split-level layout throughout.

While well maintained, it would now benefit from some

updating in places, giving buyers the opportunity to modernise and adapt the space to suit their own style and requirements.

Currently arranged as a two bedroom home with additional reception space, the layout could lend itself to reconfiguration to create three bedrooms if desired.

Being centrally located, the property is ideally positioned for access to shops, cafes and local amenities.

An individual town house with character, space and potential — viewing recommended.
