### Location

The thriving village of Roche offers an excellent range of everyday amenities, including a primary school, public house, church, convenience stores, post office, and pharmacy, while being just a short drive from the larger town of St Austell. Rich in local history, Roche takes its name from the striking 20-metre-high granite outcrop situated to the east of the village. At its summit stand the atmospheric ruins of a former chapel, providing a distinctive landmark and a glimpse into the area's heritage. Roche is well positioned for easy access to the surrounding region, with convenient links to the A30 and nearby St Austell. St Austell provides a comprehensive selection of shopping, leisure, entertainment, and sporting facilities, including a leisure centre, bowling alley, restaurants, and supermarkets.
