Kenton are delighted to present to the market this 3 bedroom semi-detached house situated in a prominent and popular location. Internally, the property comprises; a large lounge/diner with sliding doors onto the full-width conservatory, a John Lewis fitted kitchen featuring integrated Miele appliances, 3 bedrooms (2 doubles which each benefit from a fitted DAIKIN air-conditioning unit, and a single room), plus a modern bathroom with underfloor heating. Also to note, there is an integral garage which one could easily convert into an additional room, subject to the usual planning consents, as many have done so on the road. Externally, the rear garden is completely secluded and to the front there is a block-paved driveway providing off-street parking for 2 cars, and access to a MYENERGI-ZAPPI EV charger. Furthermore, the property has been fitted with 3KW solar panels plus HUAWEI inverter batteries (with a capacity of 15KW) which generates circa £2000 - £2500 tax free income per year until September 2036. Gumping Road is ideally situated for families given its proximity to both Newstead Wood and St Olaves Grammar Schools, along with Darrick Wood Secondary and Crofton Primary Schools. Furthermore, Orpington Train Station is within walking distance (circa 20 minutes), plus there are a number of bus routes available nearby servicing Bromley, Petts Wood and Orpington Town Centre. The property benefits from an EPC rating of a "B" and so may qualify for a "Green mortgage".
