£700,000 FREEHOLD

A spacious four bedroom detached house conveniently situated in a popular residential area within a short stroll of 'The Byes'.

This attractive detached house has been in the same family ownership since the early 1980's and is conveniently situated within walking distance of local shopping facilities, bus services and The Byes riverside walk. The town centre and seafront are a little over a mile away and offer an excellent range of facilities and services.

The accommodation is beautifully presented and arranged over two floors, benefitting from having gas fired central heating (Boiler replaced 2024) and uPVC double glazed windows and doors. Solar panels are fitted and contribute to heat the hot water.

On entering the house, a solid oak front door opens into the reception hall which has a useful cloaks/WC off. Three reception rooms are well proportioned, two enjoying a lovely south aspect with large bay windows and all three rooms have fireplaces. The kitchen/breakfast room enjoys an east aspect, having a range of cupboards, drawers and worksurfaces providing ample storage and there is a freestanding Rangemaster cooker with gas hob along with space for a dishwasher. The original walk-in larder offers further storage with cold shelf and a rear lobby has the back door to the garden along with a walk-in store. A separate utility room offers ample room for further appliances, houses the gas fired boiler and has a further sink and cupboards.

There are four good size bedrooms, three having original fireplaces, the two front bedrooms have a bay window enjoying views to Salcombe Hill. The family bathroom is fitted with a white suite comprising a bath, separate shower cubicle and wash basin and there is a separate WC with wash basin.

From the landing French doors open on to a south facing balcony which takes full advantage of the aspect and views to Salcombe Hill.

The gardens are very well kept, the majority being to the front of the house and having a south aspect. A central lawn has adjoining well stocked shrub borders, providing colour and interest throughout the year and to one side a driveway provides ample parking, giving access to a good size attached garage which has an electric up and over door.

To the rear of the property are further areas of garden which are mainly paved, ideal for seating and entertaining, again having adjoining shrub borders and there is a timber shed and covered store. Within the front garden is a mature Monterey Cyprus tree which has a preservation order.

SERVICES Mains gas, electricity, water and drainage are connected.
