Introduction

The Printing Works (25 Etnam Street) is a two bedroom property with one ground-floor bedroom and shower room and a second bedroom set within the eaves of the property with its own bathroom. There is an open plan kitchen/dining/sitting room with French doors leading out onto a courtyard area, all freshly decorated with electric heating and double glazing. The property has been previously let so provides additional income opportunities as well as the opportunity to become an ideal home for its new owner.

The Courtyard (11a School Lane) is a one bedroom property with galleried landing adding extra floor space, ground-floor bathroom, sitting room and kitchen. The property has been tastefully decorated and styled and would lend itself to becoming a Holiday Let/Business opportunity if the proper permissions are sought. Artists/Antique Dealers/Craftsmen-women who are looking for a space to work within a centrally active Market Town may find this property of interest.

The Printing Works, 25 Etnam Street

Entry begins into a small hallway with tiled floor and coir matting, ideal for arriving home when the weather has been unkind. To the left is a shower room with tiled shower cubicle, WC, hand-basin and heated towel rail. Back to the hallway and directly ahead is a welcoming, bright and airy kitchen/dining/living room. The room is lit by an array of dual aspect windows and French doors that lead out onto an attractive and private patio area. The kitchen has a range of modern wall and floor units with electric over/hob top, sink under a window and housing for a washing machine. There is space at the end of the unit run for a tall fridge/freezer and further storage is provided by an under-stair cupboard. The remaining space has plenty of room for a dining table, chairs and comfortable seating and benefits from having a wall hung electric fire for those cooler, Winter evenings. Accessed from here is a ground-floor bedroom with rear aspect that could lend itself to also becoming a home office or separate snug/hobby space if otherwise desired. Also accessed from the kitchen/dining/living room is an oak staircase that rises to the first floor where we find a galleried landing, second bedroom and bathroom.

The galleried landing is well lit by two velux roof lights and has a good sized built in cupboard for storage. Bedroom one has rear aspect and also benefits from having a built in cupboard for storage. The bathroom on the other side of the landing has a full sized curved bath with corner taps, WC, hand-basin and heated towel rail.

The current vendors have lovingly restored the garden to create an attractive area for dining or bench seating. They have used areas of gravel with paving slabs, pergola and mature planting to create a very pleasant space to sit and relax or entertain with friends or family particularly with the addition of the French doors that allow seamless flow between the indoors and outside. The area is enclosed by red brick walling and cottage style, picket fencing making it secure and private.

There is a garden shed for the storage of gardening items or bike/outdoor gear.
