THE PROPERTY

This 12.07 acre / 4.88 hectare parcel of land is accessed from Station Road, Shirehampton south of the Portway and is opposite The Lamplighters public house. Its access gate sits down a council owned accessway and is adjacent to the Lamplighters Nature Reserve and other pasture/grazing land. The land stretches up to south of the Portway Park & Ride, north of the popular Lamplighter's walk.

THE OPPORTUNITY

This rare piece of land in Bristol has potential for multiple uses, subject to consents, whether that be for pasture or grazing of animals, increased habitat land or for Bio-diversity Net Gain credits, rarely available in the Bristol City Council local planning authority area. Development could also be explored further, subject to consents.

LOCATION

The site sits in the southern portion of Shirehampton, south of the Portway and by the River Avon. It's located within the Bristol City Council jurisdiction area and is easily accessed by both public transport (Shirehampton railway and Portway Park & Ride are moments away) and the road network (M5 and Portway A4), giving it easy access to Bristol City Centre and the wider South West.

Please be aware all purchasers are subject to a £1,500 + VAT (£1,800 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure

Land @ Lamplighters Marsh, Station Road, Shirehampton, Bristol, BS11 9XA

below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
