Blagdon Walk, TW11

This modern townhouse is located in the popular River Roads of Teddington. With off-street parking, three double bedrooms and a secluded garden positioned in a quiet cul de sac.

This house offers great potential to open up the ground floor and convert the garage. Currently there is a garage which houses the utility area. There is a bright and airy living room to the rear with french doors leading out to the garden, this could double up as a fourth bedroom. Completing the ground floor there is a WC.

The first floor is open plan and has a very large living / dining room and to the rear is a fully integrated kitchen. The property benefits from three bedrooms on the second floor and a large family bathroom, ample storage and lots of natural light. Further benefits include off street parking and south west facing garden.

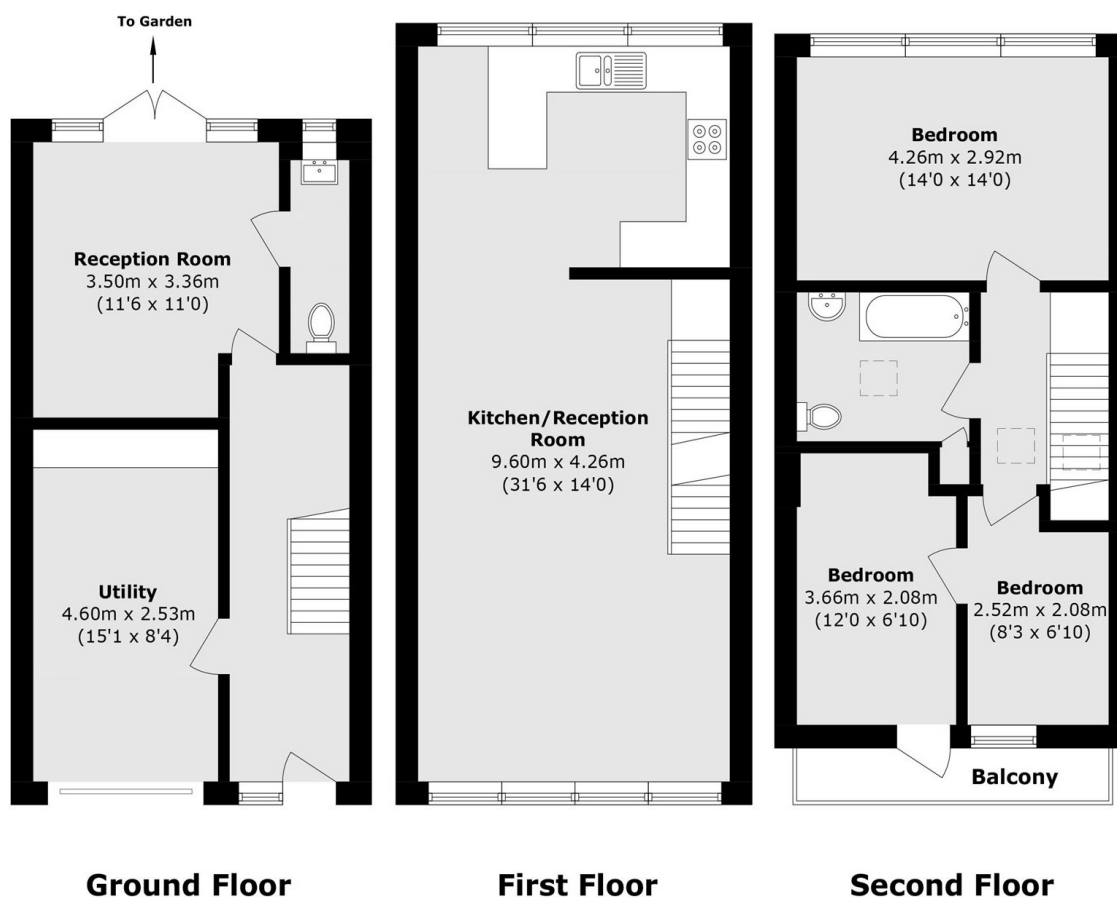

Blagdon Walk is a cul-de-sac set back from Munster Road. Use Hampton Wick or Teddington mainline station for access into London. Kingston town centre and Teddington High Street are close as is The River Thames and Bushy Park.
