A doorway leads though to a centrally located dining room, with a large, bay windowed living room to the front, a family room/conservatory to the rear, and an open archway to the kitchen. Although perfectly functional, a new owner may look to modernise the kitchen which currently has an oven with gas hobs and overhead extractor fan, sink & drainer, window to rear aspect, plenty of storage above and below the worktops, and a cupboard that houses the boiler. To the first floor, there are three well proportioned bedrooms with the largest bedroom having wall-to-wall wardrobes, and the family bathroom that has a

Externally, there is driveway parking for several cars to the front, with side access to the garage that is located to the rear. The back garden has a patio with steps rising to an extensive lawn with a shed and fencing to borders.

All in, whilst the property could benefit from some light refurbishment, it would make a fantastic family home.
