Christ Church Vicarage Bridge Street, , Belper, DE56 1BA

THE PROPERTY

We understand the property was constructed in approximately 1857, by the architect H J Stevens of Derby. In the Grade-II Listing, the property is described as 'a large stone house with gabled façade to Bridge Street of Ashlar stone, being a three-storey design, under a slate roof.'

The property offers an extremely spacious interior, with many character features, and would provide a fine detached 'Gentlemans residence', or alternatively, would suit a variety of uses to include company headquarters, educational, or conversion to apartments, all subject to obtaining the usual planning and building regulation approvals.

The property is in need of refurbishment, and benefits from gas central heating and part-double glazing, comprising; outer hall, reception hall, cloaks/WC, three reception rooms, dining kitchen, utility room, extensive cellarage, nine double bedrooms, one with ensuite, family bathroom, detached garage, ample car standing, and extensive mature gardens.

NOTE TO PURCHASERS

The property is the former Vicarage, and as a result, access to the main, side front door will be a shared, purely pedestrian access to the side of the property between the Vicarage and the Church. The original access to gain entry into the rear garden via the side gate has now been removed. However, there is private pedestrian access to the Vicarage from bridge Street, which leads to the rear courtyard, and thereafter, access to the garden.

LOCATION

The property enjoys an impressive frontage to Bridge Street, within the popular Market Town of Belper, affording a comprehensive range of amenities to include; day-to-day shopping, doctors and dentist surgeries, places of worship, hair and beauty salons, eateries, public houses, recreational facilities, and schooling. Belper also benefits from a railway station, and regular bus services throughout the region.

DIRECTIONS

When leaving Derby city centre by vehicle, proceed

north along the A6 Duffield Road proceeding through Darley Abbey, Allestree, and Milford, then on entering Belper proceed through the town centre into Bridge Street, to find the property on the left-hand side next to the Church.
