Why you'll like it

Three-bedroom townhouse with driveway, integral garage and no onward chain

Offered with no onward chain, this three-bedroom stone-fronted townhouse on Hawthorn Close, Keighley, combines open-plan living with a separate utility room, driveway and integral garage. Arranged over three floors, the property has a neutral interior, an enclosed low-maintenance rear garden and elevated views from the front towards the surrounding hills.

The ground-floor entrance hall provides access to the integral garage, which offers parking and useful storage space. A separate utility room is fitted with wood-effect cupboards, a contrasting dark worktop, stainless-steel sink and space for a laundry appliance. A cloakroom with wash basin and WC completes this level.

On the first floor, the open-plan kitchen and living space forms the heart of the home. The kitchen is fitted with wood-effect wall and base units, dark worktops and white tiled splashbacks. A built-in oven, gas hob and stainless-steel extractor hood provide the cooking facilities, while the sink sits beneath a front-facing window.

The adjoining living area offers space for seating and dining furniture, with white walls and grey carpeting providing a simple backdrop. French doors with glazed side panels allow plenty of natural light into the room and open directly onto the rear garden.

The three bedrooms continue the neutral finish, with grey carpets and white walls. Front-facing accommodation benefits from the elevated outlook, while rear-facing rooms overlook established greenery. The property also has a bathroom with a shower over the bath and glass screen, wash basin and WC, together with a separate shower room.

Outside, the driveway provides off-street parking in front of the integral garage. To the rear, the enclosed garden comprises a paved patio and a raised gravelled area edged with timber sleepers, offering space for outdoor seating and pots. Timber fencing, a stone retaining wall and established planting frame the garden.

With three bedrooms, practical ancillary space and direct garden access from the living area, this townhouse offers a flexible home with the added advantage of no onward chain.
